Legacy

Fourth Generation Vintner, Steve Tonella was born in the Napa Valley and grew up in Wine Country.

From an early age Steve worked in the vineyards with his father and grandfather. He was taught the art of cultivating the vines and irrigating by hand. Those early years shaped Steve's endless commitment to vineyard management and passion for winemaking.

2010 marked the first release of Steve's S.R. Tonella Cellars wines. Since that time he has been recognized by Decanter Magazine, Robb Report, and Wine Spectator among other notable news outlets for crafting some of the best Cabernet Sauvignon from the Rutherford AVA of Napa Valley.

Today, Steve manages the 100 year old family vineyard and wine business with the help of his wife Ariadna. He serves as Past President of the Rutherford Dust Society and hosts private tastings by appointment.
